FNBCT Mobile Banking requires that you have online banking. If you do not already have online banking please visit our website at <http://www.fnbct.com>.

Login to your online banking and click onto the [administration](#) tab, then click [mobile banking](#). After clicking on the “Mobile Banking” link a separate window will open.

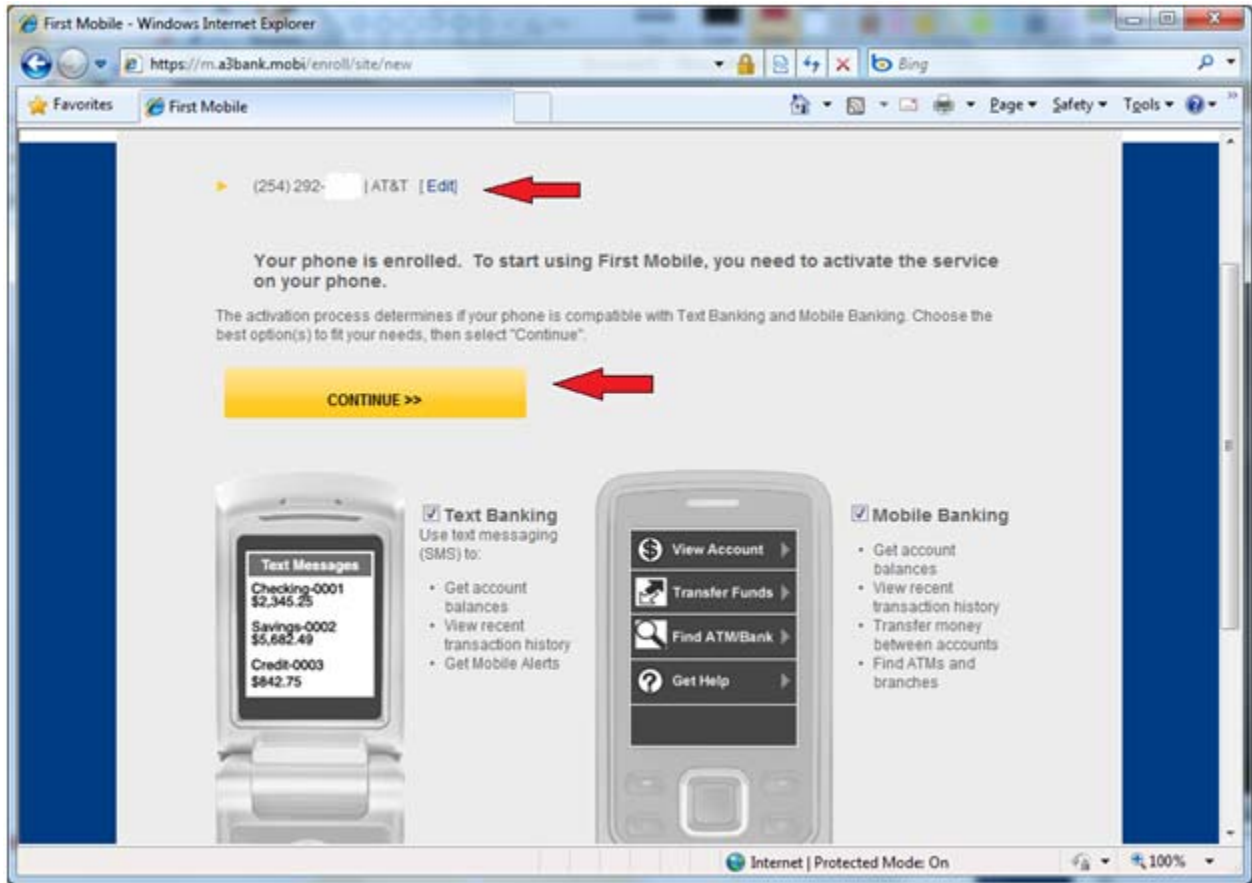

From this window you will be able to manage phones currently enrolled in FNBCT Mobile Banking and add additional phones.

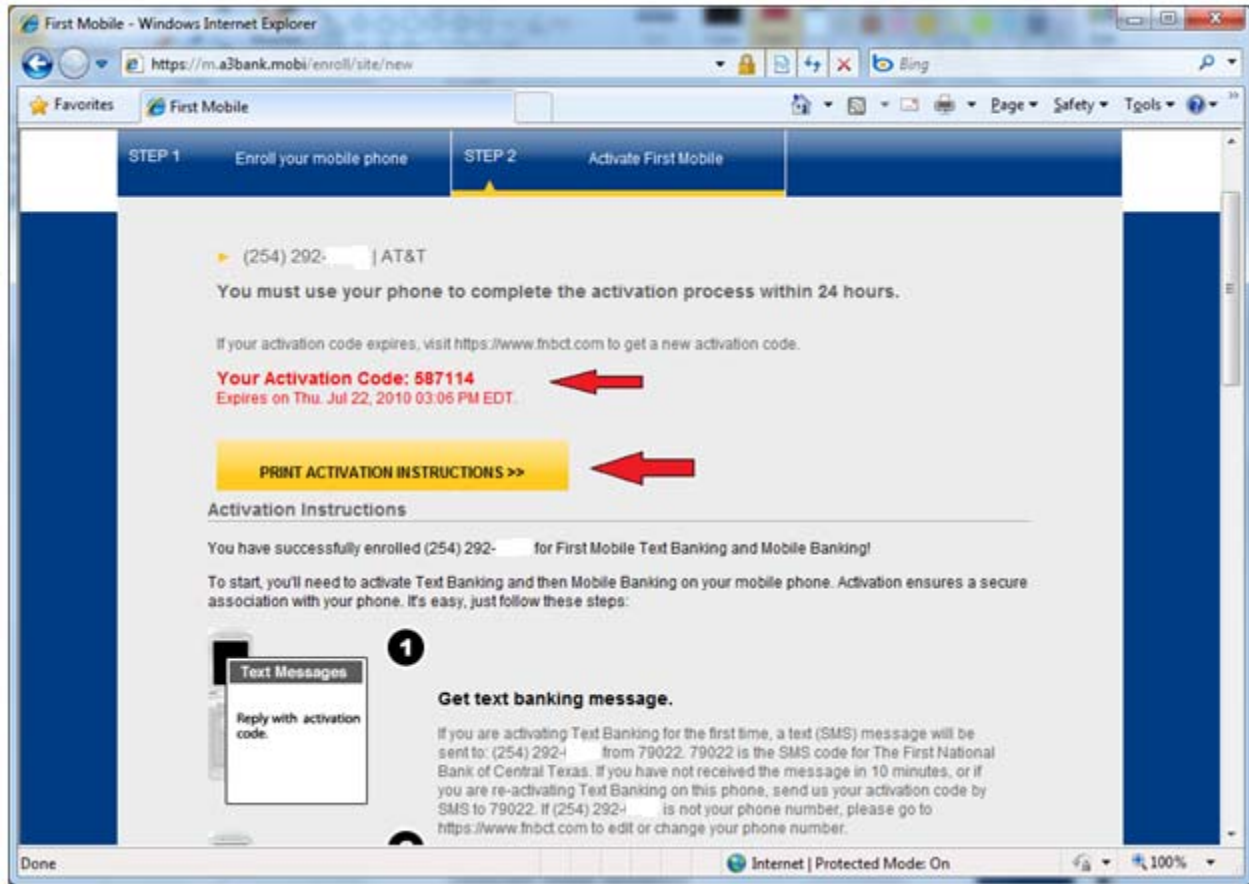

To proceed with enrollment please click on the “Add Phone” link shown in the above picture.

You will now provide the necessary information about your phone for enrollment. Please note that each field is required and must be filled out entirely before moving forward with enrollment.

Please confirm that the correct phone number and carrier are listed above. And then click "Continue".

Your activation code is displayed above. **Please print this page for future reference.**

The last step of the activation process is completed from your phone. Detailed instructions are provided on the same screen that your activation code is displayed on. **Please note that the activation process must be completed within 24 hours.**

**Attention iPhone Users:** Activation by SMS is not required. Once you have been presented with an activation code please download the FNBCT Mobile Banking app from the app store. You will be prompted for the activation code the first time you launch the app from your phone.

If you need additional assistance please contact Online Banking support at 254-761-6149.
